Introduction

Worldpay Payment extension for Magento 2 by Magenest is a smart extension that helps customers to make payments online without wasting time.

It is wonderful when you are just at home but that you can purchase everywhere in the world only by clicking. Our product provides great utilities like.

Highlight Features

- Checkout using their payment cards, including debit cards and credit cards.
- Add their Worldpay account to the Magento store.
- Protect merchants better with 3D Secure Checkout, checking for fake card information.
- Support for various types of payment cards, including Visa, MasterCard, Paypal, and American Express.
- Payment gateway customization, giving customer a better checkout experience.
- Reporting of transactions, keeping control of all orders and invoices.
- Various tools for theft and fraud protection.

System Requirements

Your store should be running on Magento 2 Community Edition version 2.1.x, 2.2.x or 2.3.x

How to create a new customer account

It is necessary to create a new customer account for connection between Magento 2 and WorldPay.

First of all, go to <https://online.worldpay.com/> and register an WorldPay accounts (click on "Create an account"). If you already have an account, you can skip this step.

Fill in the form the information of your Organization and press "Create an Account". If everything is right, WorldPay will inform you to check your email and activate your account.

The image shows the Worldpay 'Sign up' page. At the top, there is a navigation bar with the Worldpay logo and links for FEATURES, PRICING, SUPPORT, PARTNERS, and DOCS. On the right side of the navigation bar, there are links for SIGN IN and SIGN UP, with the SIGN UP link highlighted by a red arrow. The main heading is 'Sign up'. Below it, there are three input fields: Email, Password, and Confirm password. A red speech bubble points to these fields with the text 'Enter information in the fields'. Below the input fields, there is a checkbox labeled 'I agree to the terms of the Worldpay Agreement.' and a large green button labeled 'CREATE AN ACCOUNT' with a red arrow pointing to it.

When your account is activated, you can login on the page <https://online.worldpay.com/>

The image shows the Worldpay 'Sign in' page. At the top, there is a navigation bar with the Worldpay logo and links for FEATURES, PRICING, SUPPORT, PARTNERS, and DOCS. On the right side of the navigation bar, there are links for SIGN IN and SIGN UP, with the SIGN IN link highlighted by a red arrow. The main heading is 'Sign in'. Below it, there are two input fields: Email and Password. The Email field contains the text 'alexisemily2234@gmail.com'. The Password field contains a series of dots. A red arrow points to the 'SIGN IN' button below the input fields. Below the 'SIGN IN' button, there is a link for 'Forgot your password?'. At the bottom, there is a link for 'No account yet? Create one'.

Configuration

General Configuration

In order to get this extension up and running properly, we highly recommend that users should make some configurations right from the beginning.

First of all, go to **Backend of Magento 2 stores-> Worldpay Payment Gateway-> Settings**

Then navigate to **Worldpay Payment Gateway-> Settings->Payment Methods** to install your payment methods

Merchant Country: choose the country where the merchant lives

Default Settlement Currency: to make your payment successful, you must choose currency suitable with both merchant and customer. It is called as the default settlement currency

Sitecodes: a sitecode is a value that can be passed in the order request to differentiate between different sites you have. A "site" could be different websites you have or it could be the same website but different internal suppliers of the service

Details

Reviews

Luma presents an innovative power vinyasa yoga class for intermediate and advanced practitioners. The video allows you to pace yourself, but more intense work yields longer rest. This class is great for more advanced students looking to learn proper alignment in their yoga practice.

- Includes a breakdown of 12 different postures.
- Chataranga Dandasana and prayer twist.
- Challenging posture (side crow).
- 55 minutes of movement.

Refund

You can click **Refund Offline** or **Refund** dependent on your request. Refund successfully!

NOTE:

All of the payment's process operate in Worldpay's payment site, not in Magento.

Update

- When a new update is available, we will provide you with a new package containing our updated extension.
 - You will have to delete the module directory and repeat the installing steps above.
 - Flush the config cache. Your store and newly installed module should be working as expected.
-

Support

- We will reply to support requests after **2 business days**.
 - We will offer **lifetime free update and 6 months free support for all of our paid products**. Support includes answering questions related to our products, bug/error fixing to make sure our products fit well in your site exactly like our demo.
 - Support **DOES NOT** include other series such as customizing our products, installation and uninstallation service.
-

Once again, thank you for purchasing our extension. If you have any questions relating to this extension, please do not hesitate to contact us for support.
