Email Copy of Credit Memo

When payment action is Authorize and Capture: admin only view Invoice and click Credit Memo->Refund.

In Wepay, there are two methods: total refund and partial refund

If the admin wants to refund all products in order, admin click on the Refund

If admin wants to refund partially, admin follow the below picture:

\$221.00

Customer will edit Quatity to refund and choose Update Qty's after clicking Refund. In partial refund, customer can refund each part until products in orders are run out .

Refund successfully!

Note:

All of the payment's process operate in Wepay 's payment site, not in Magento.

Update

- When a new update is available, we will provide you with a new package containing our updated extension.
- You will have to delete the module directory and repeat the installing steps above.
- Flush the config cache. Your store and newly installed module should be working as expected.

Support

- We will reply to support requests after 2 business days.
- We will offer lifetime free update and 6 months free support for all of our paid products. Support includes answering questions related to our products, bug/error fixing to make sure our products fit well in your site exactly like our demo.
- Support DOES NOT include other series such as customizing our products, installation and uninstallation service.

Once again, thank you for purchasing our extension. If you have any questions relating to this extension, please do not hesitate to contact us for support.
