Introduction

Countdown Timer for Magento 2 by Magenest is an extension that allows owners to set up a clock to countdown for sale campaigns.

You should install it now to use the best features like.

For more information, please visit:

Highlight Features

- Admin can create clocks for sale campaign according to each product.
- Admin can change the style for each clock.

System Requirements

Your store should be running on Magento 2 Community Edition version 2.1.x.

Configuration

In order to get your extension up and running properly, we highly recommend that you make some configurations right from the beginning

Navigate to your **Backend of Magento 2 > Countdown > Configuration**

General

Admin can choose whether to *Show Countdown Clock* (Yes/No), *List Product* (Enable/Disable) and *Use Default Clock* (Yes/No).

Default Clock

Admin can define the style of a clock with *Title Clock*, *Color Clock*, *Size Clock*, *Type Watch*, *Text Color*.

The screenshot shows a configuration interface for a 'Countdown' extension. At the top left, the word 'Configuration' is circled in red. In the top right corner, there is a search icon, a notification bell with '12', and a user profile labeled 'admin'. Below this is a 'Store View' dropdown set to 'Default Config' with a help icon, and a prominent orange 'Save Config' button.

The left sidebar contains a menu with categories: GENERAL, MAGENEST COUNTDOWN, Countdown Configuration (highlighted with a red box), CATALOG, CUSTOMERS, SALES, SERVICES, and ADVANCED.

The main content area is divided into two sections:

- General**: Contains three dropdown menus: 'Show Countdown Clock' (set to 'Yes'), 'Show in List Product' (set to 'Enable'), and 'Use Default Clock' (set to 'No').
- Default Clock**: Contains five settings: 'Title Clock' (text input with 'Countdown'), 'Color Clock' (color picker showing #0dff00), 'Size Clock' (dropdown set to 'Medium'), 'Type Watch' (dropdown set to 'Simple Clock'), and 'Text Color' (color picker showing #ff0000).

Click on **Save Config** button. Configuration is activated.

Main Functions

Firstly, go to **Product > Catalog** and then for each product that you want to use the extension, click Yes on **Show Countdown** box.
