You can assign product label for each product on Product edit page

The screenshot displays the Magento 2 Product Edit interface for a product named 'Romper'. The main content area includes a title field, a permalink field with a 'Change Permalinks' button, and a rich text editor with a 'Visual' tab selected. The editor contains placeholder text. Below the editor, it shows 'Word count: 40' and 'Last edited by duy on July 20, 2015 at 6:08 am'. The 'Product Data' section shows 'Variable product' selected. On the right sidebar, the 'Publish' section shows the status as 'Published' with an 'Edit' link. Below it, the 'Product Label' section has two tabs: 'All Product Labels' and 'Most Used'. Under 'Most Used', several labels are listed with checkboxes: 'Off style 2' (checked), 'coming soon', 'fit for summer', 'Free Shipping', 'Sales', and 'trending'. At the bottom of the sidebar, there is a '+ Add New Product Label' link.

Check the product label you want to display on product.
