Introduction

Alipay Cross-border Payment Gateway And Subscriptions extension by Magenest is the great tool that provides seamless payment experience between your Magento 2 store and the Alipay Cross-border Payment Gateway.

Features For Admins

- A lot of features is included in the extension that you can tweak to make it best suit your business, including:
 - · New order status.
 - · Email customer.
 - Support Alipay account
 - Allowed country.
 - Order total threshold.
- Easily manage orders.
- · Easily capture, cancel and refund payments

Features For Customers

- The primary aim of the extension is to deliver the most fluent and effortless payment experience to the customers:
 - Easily checkout using their Alipay account.

System Requirements

Your store should be running on Magento 2 Open Source and Ecommerce 2.1.x., 2.2.x

Configuration

Set up Alipay Account

You will need an Alipay merchant account to receive a Partner ID and Security Code

Set Up The Integration On Magento 2

Navigate to your Backend of Magento 2 -> Stores >Configuration>Sales> Payment Methods -> Alipay

Note:

All of the payment's process operate in Alipay 's payment site, not in Magento.

Update

• When a new update is available, we will provide you with a new package containing our updated extension.

You will have to delete the module directory and repeat the installing steps above.

• Flush the config cache. Your store and newly installed module should be working as expected.

Support

• We will reply to support requests after 2 business days.

- We will offer lifetime free update and 6 months free support for all of our paid products. Support includes answering questions related to our products, bug/error fixing to make sure our products fit well in your site exactly like our demo.
 Support DOES NOT include other series such as customizing our products, installation and uninstallation service.

Once again, thank you for purchasing our extension. If you have any questions relating to this extension, please do not hesitate to contact us for support.
