Introduction

PayPlug Payment Gateway of Magenest is a payment processing extension that handles different transactions for a variety of reasons.

From donation campaigns to online merchants, to events, PayPlug is a great platform to start accepting payments online.

Extension's page:

Highlight Features

- PayPlug has two payment method: Iframe checkout and Redirect checkout.
- Full refund, partial refund
- Fill card, payment
- View order status.
- Allowed credit card types.
- Enable CVC verification.

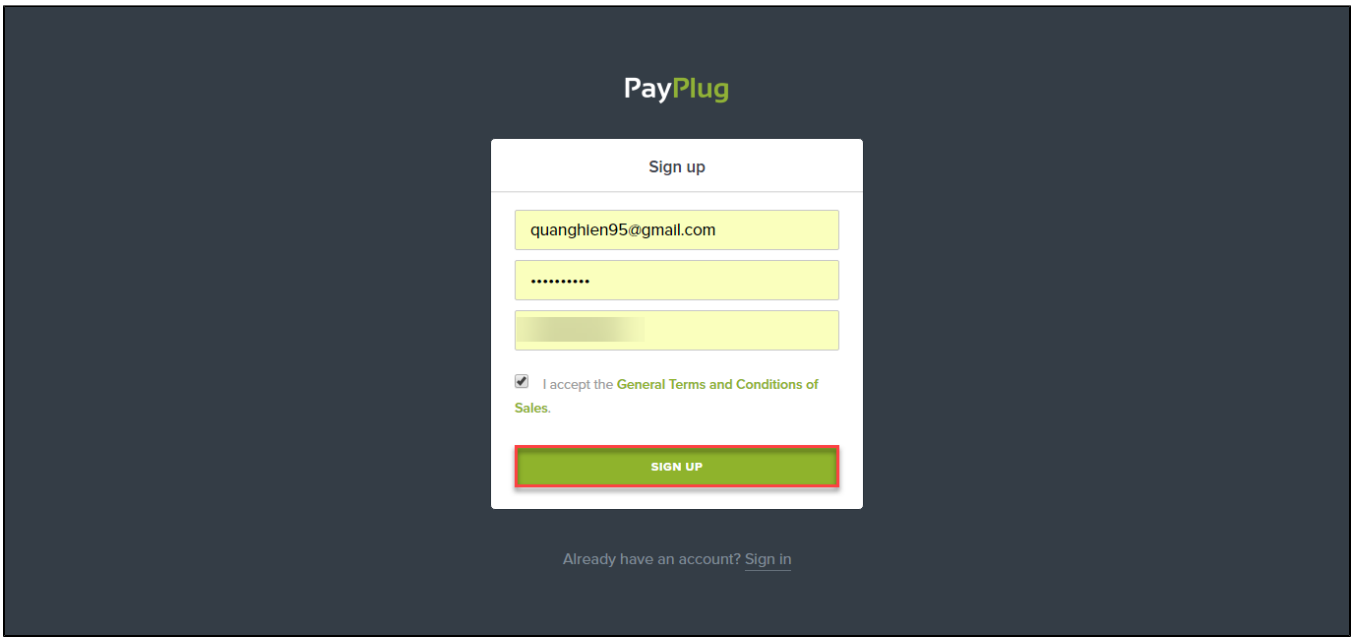
System Requirements

Your store should be running on Magento 2 Community Edition version 2.1.
x.

How to create PayPlug's account

- ### Sign up the PayPlug account

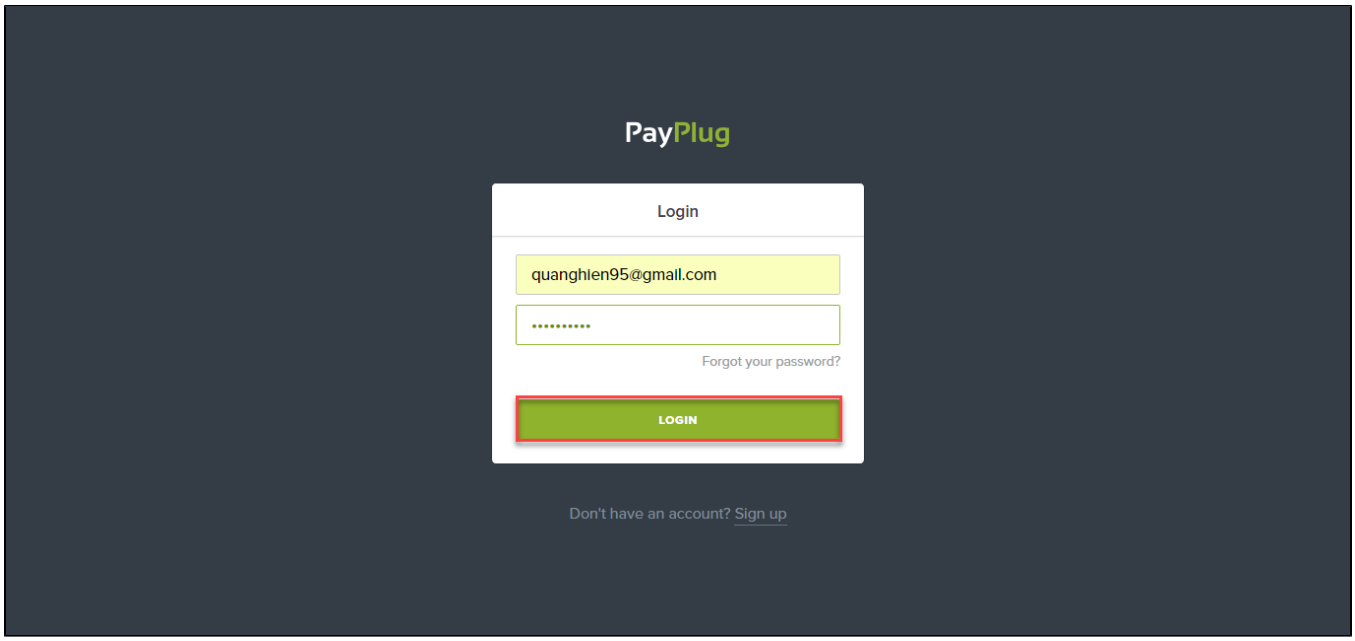
You must have an existing PayPlug account to use this extension. If you don't have a PayPlug account, you can create one by go to: https://www.payplug.com



Fill valid personal information and click **Sign up** button to register a new account. Your account is active.

- ## Sign in PayPlug

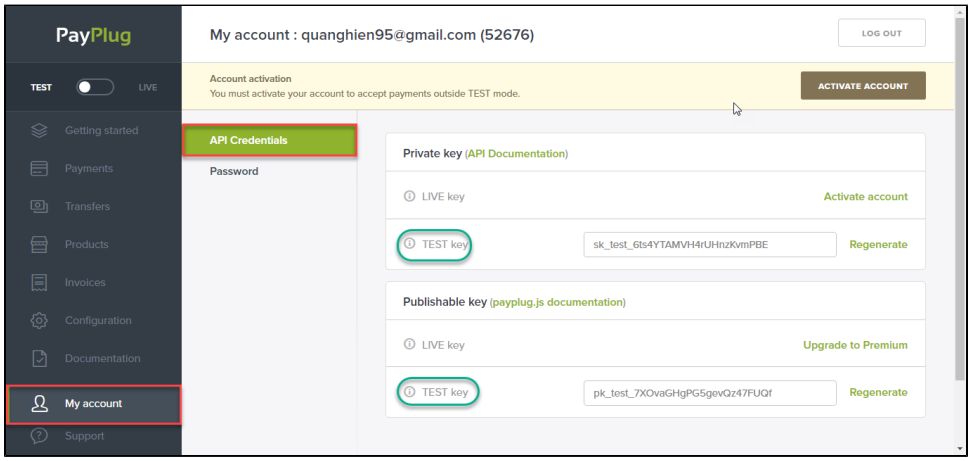
When you have registered account, you log in PayPlug by clicking link: https://www.payplug.com/portal/login



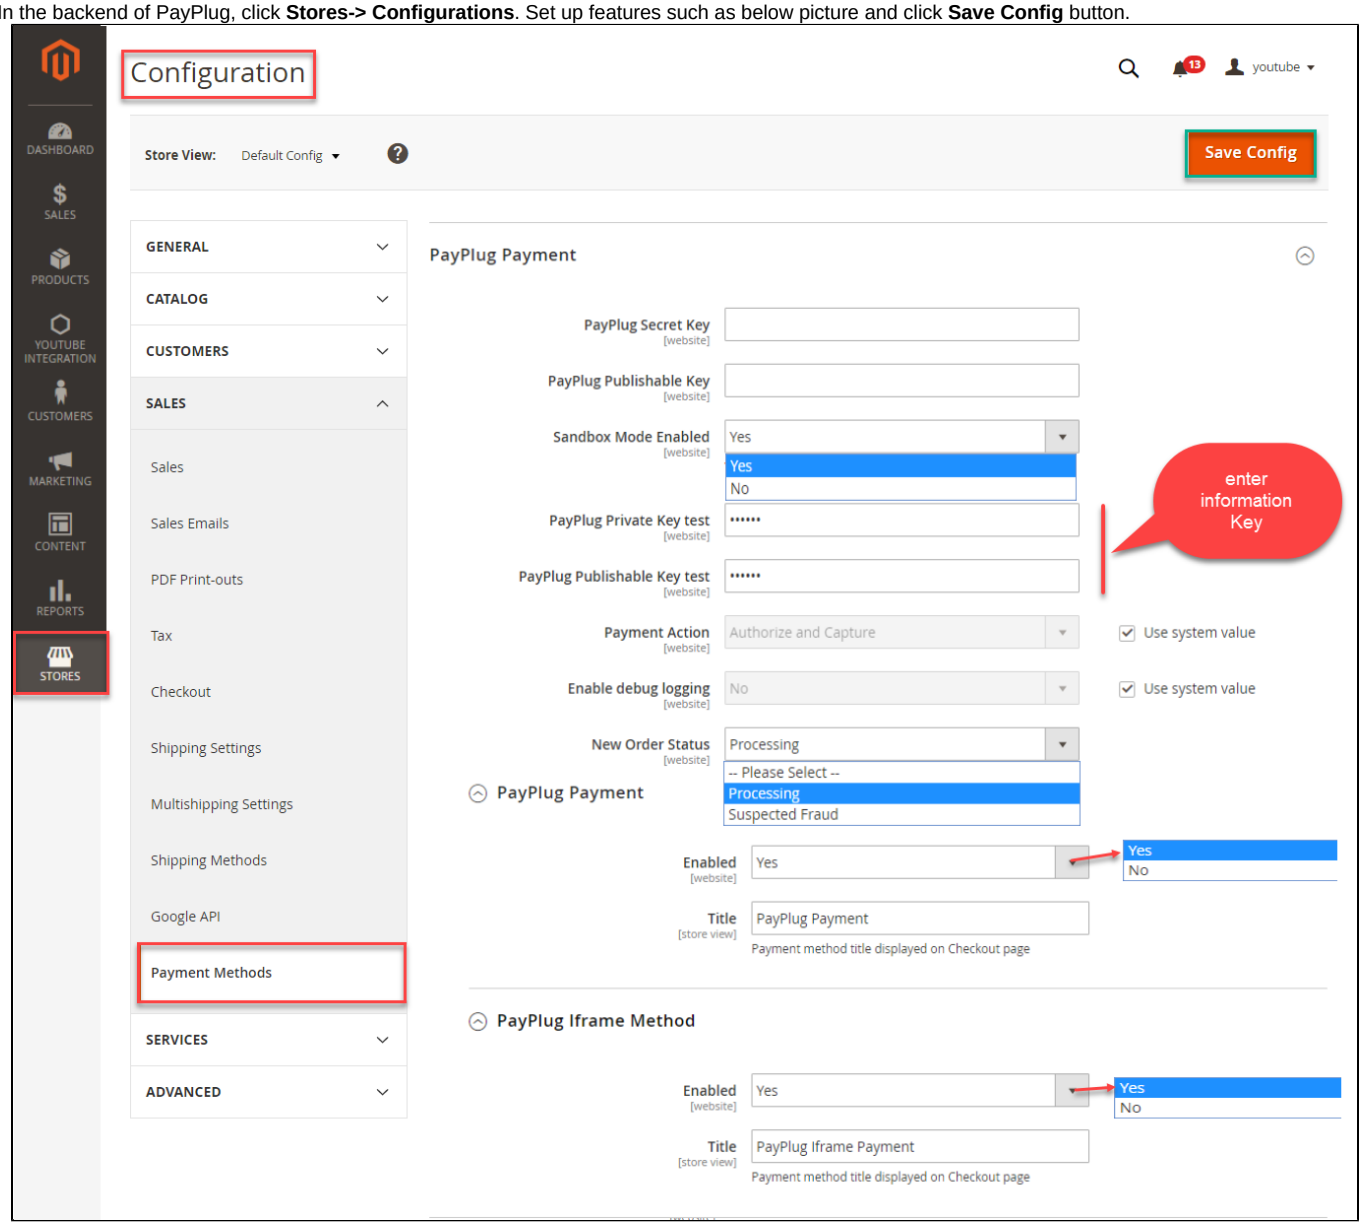
Backend

- **Configuration:**

Log in PayPlug and choose **API Credentials** to take information about Private **key and** Publishable **key** to config your account in the backend.

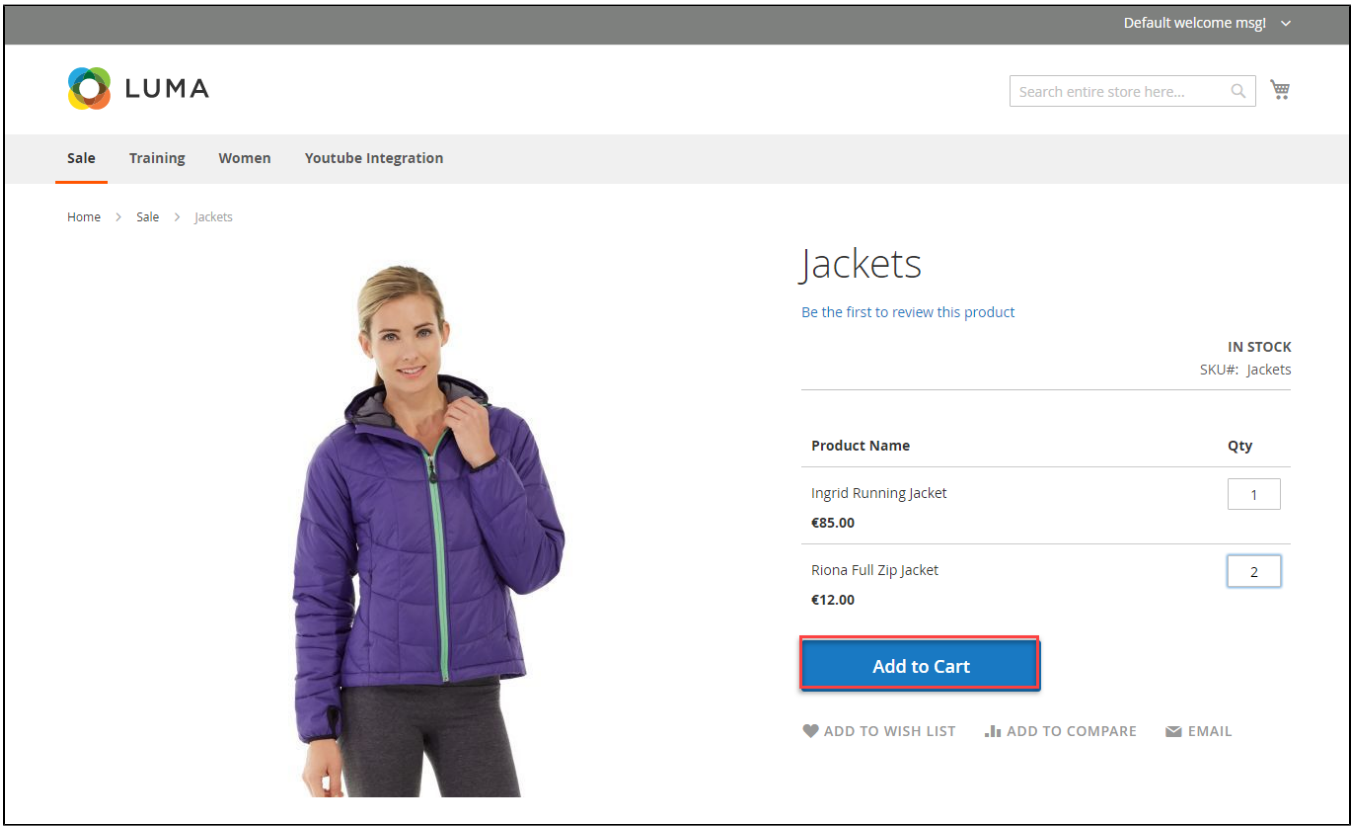


In the backend of PayPlug, click **Stores-> Configurations**. Set up features such as below picture and click **Save Config** button.

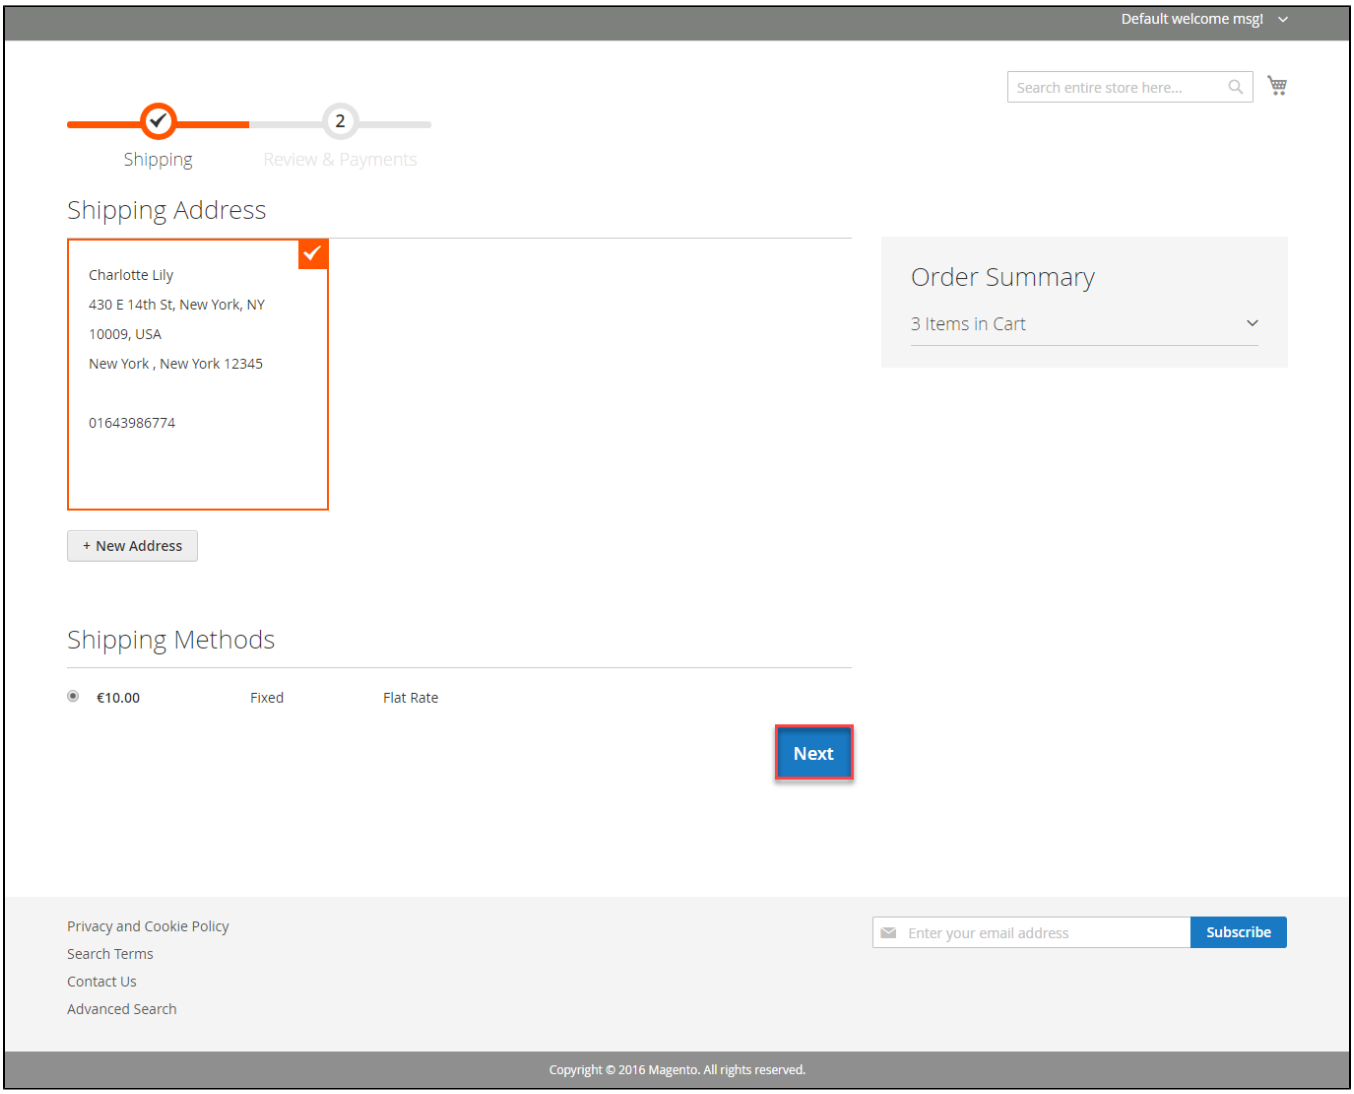


Frontend Usage

When you buy the product. Please remember to choose it and add the product to cart.

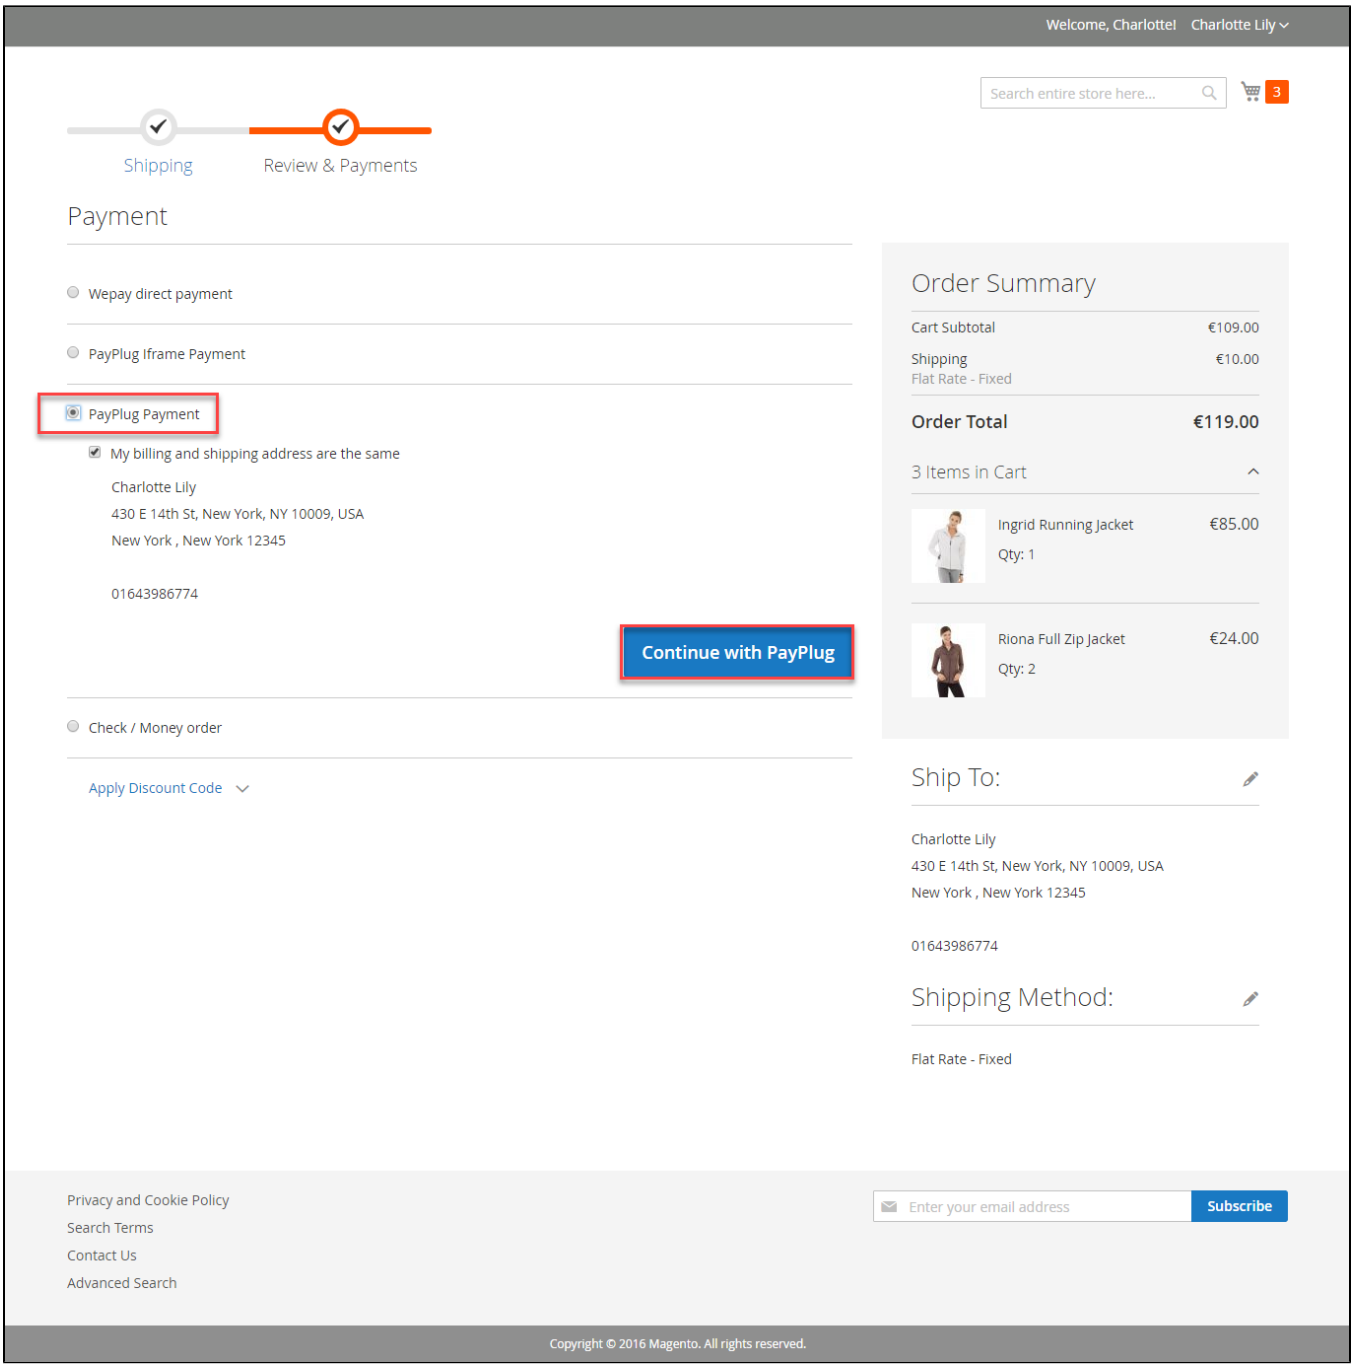


Then, go to **checkout** and select **PayPlug Iframe payment** or **PayPlug payment.**



PayPlug payment

Customer click **Continue with Payplug** button.



Then enter card number, expiration Data, CVC and click **Pay button.**

Update

- When a new update is available, we will provide you with a new package containing our updated extension.
- You will have to delete the module directory and repeat the installing steps above.
- Flush the config cache. Your store and newly installed module should be working as expected.

Support

- We will reply to support requests after **2 business days**.
- We will offer **lifetime free update and 6 months free support for all of our paid products**. Support includes answering questions related to our products, bug/error fixing to make sure our products fit well in your site exactly like our demo.
- Support **DOES NOT** include other series such as customizing our products, installation and uninstallation service.

Once again, thank you for purchasing our extension. If you have any questions relating to this extension, please do not hesitate to contact us for support.
