Introduction

Woocommerce Product Label is an indispensable tool attract customers' attention to any product by adding graphical labels to product images. Labels can be displayed on the Category page as well as on the Product page. You can assign labels to any products according to created rules.

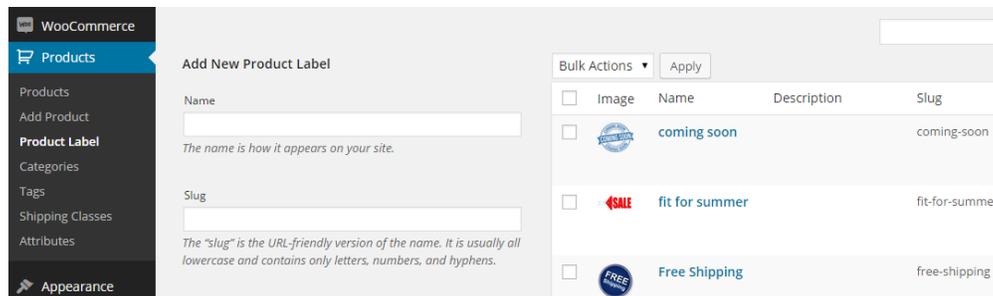

Features:

1. Admin can create an unlimited number of product label rules
2. Admin can configure a countdown box with the product on sale, to tell your customer how much time they have left to purchase your product with discount.
3. Admin can add a custom CSS code in label
4. Allow allow manually resize the labels
5. Provide an available template label list to use instantly
6. Admin can upload images, write text for product label easily
7. Admin can assign product label rule for all products belong to a category
8. This module Works with any theme
9. Admin can choose label positions: top-left, top-center, top-right, middle-left, middle-center, middle-right, bottom-left, bottom-center, and bottom-right
10. Admin can set the prioritize label rule
11. Admin can assign product lables for products on product edit page

Configuration

You can access product label page by login in backend , click **Product > Product label**

To create new product label rule, please fulfill the input fields.

The screenshot displays the 'Add New Product Label' configuration page in the WooCommerce admin interface. On the left, a sidebar menu shows 'Product Label' as the active section. The main content area is divided into two columns. The left column contains a form with two input fields: 'Name' and 'Slug'. Below the 'Name' field is a placeholder text: 'The name is how it appears on your site.' Below the 'Slug' field is a placeholder text: 'The "slug" is the URL-friendly version of the name. It is usually all lowercase and contains only letters, numbers, and hyphens.' The right column features a 'Bulk Actions' dropdown menu and an 'Apply' button. Below these is a table listing existing product labels. The table has columns for 'Image', 'Name', 'Description', and 'Slug'. Three labels are listed: 'coming soon' with a blue circular icon, 'fit for summer' with a red 'SALE' icon, and 'Free Shipping' with a blue circular 'FREE' icon.

Image	Name	Description	Slug
<input type="checkbox"/>	coming soon		coming-soon
<input type="checkbox"/>	fit for summer		fit-for-summer
<input type="checkbox"/>	Free Shipping		free-shipping

Name
The name is how it appears on your site.

Slug
The "slug" is the URL-friendly version of the name. It is usually all lowercase and contains only letters, numbers, and dashes.

Parent

Description
The description is not prominent by default; however, some themes may show it.

Position

Text

```
<div class="product-label style3">
<div class="product-label-percentage">
<span class="p-percentage">57</span>
<span>%</span>
</div>
<div class="product-label-text">OFF</div>
</div>
```

The screenshot shows the Magento product edit interface for a product named 'Romper'. The main editor area has a toolbar with options like 'b', 'i', 'link', 'b-quote', 'del', 'ins', 'img', 'ul', 'ol', 'li', 'code', 'more', and 'close tags'. Below the toolbar is a text area with placeholder text: 'Pellentesque habitant morbi tristique senectus et netus et malesuada fames ac turpis egestas. Vestibulum tortor quam, feugiat vitae, ultricies eget, tempor sit amet, ante. Donec eu libero sit amet quam egestas semper. Aenean ultricies mi vitae est. Mauris placerat eleifend leo.' The right sidebar includes a 'Publish' section with 'Status: Published', 'Visibility: Public', and 'Published on: Jun 7, 2013 @ 10:46'. Below that is the 'Product Label' section, which has two tabs: 'All Product Labels' and 'Most Used'. Under 'Most Used', there is a list of labels with checkboxes: 'Off style 2' (checked), 'coming soon', 'fit for summer', 'Free Shipping', 'Sales', and 'trending'. At the bottom of the sidebar is a '+ Add New Product Label' link. The 'Product Data' dropdown at the bottom left of the editor is set to 'Variable product'.

Check the product label you want to display on product.
