Introduction

Magento 2 Gift Card Extension is the product developed by Magenest to let your customers purchase gift cards from your store in a flexible and seamless way.

We give all necessary tools such as drag and drop design to attract customers to purchase gift cards.

For customer

- Choose different values of a gift card at their convenience.
- Buy gift cards for themselves or send it as a gift to their friends.
- Receive gift cards via email or post office.
- Manage the gift card/gift voucher that they already purchased at the account dashboard.
- Apply Gift Card codes to discount prices.

For admin

- Create Gift cards as products to sell online.
- Set unlimited values of gift card products to be shown as a drop-down, fixed amount, or a range.
- Configure the gift card module, change the PDF gift card configuration.
- Full back end control: create, edit, resend, change the status of gift cards, and more.
- Support API get gift card product, order have gift card product, apply gift card for current quote

System Requirements

Your store should be running on **Magento 2** version **2.3.x, 2.4.x**

Configuration

On the admin sidebar, go to **Stores > Configuration > Magenest > Gift Card Configuration**

Update

- When a new update is available, we will provide you with a new package containing our updated extension.
 - You will have to delete the module directory and repeat the installing steps above.
 - Flush the config cache. Your store and newly installed module should be working as expected.
-

Support

- We will reply to support requests within **2 business days**.
- We will offer **lifetime free updates and 6 months of free support for all of our paid products**. Support includes answering questions related to our products, bug/error fixing to make sure our products fit well in your site exactly like our demo.
- Support DOES NOT include other services such as customizing our products, installation, and uninstallation service.

Once again, thank you for purchasing our extension. If you have any questions relating to this extension, please do not hesitate to contact us for support.
